
THE RESTORATION

Covenant Seminary selected Louis IX Associates of St. Louis to move the organ from its Cincinnati location and to begin the process of restoration in St. Louis.

Completion of the mechanical and tonal restoration of the organ was entrusted to Quimby Pipe Organs, Inc. of Warrensburg, Missouri. Mr. Michael Quimby received a B.M.E. degree in 1973 and his M.A. in music history and literature with applied emphasis in organ in 1975

from Central Missouri State University at Warrensburg. He is a member of several organizations of musicians, music educators, organists, and organ builders. His business includes a tuning and maintenance service as well as building new organs and restoring and rebuilding older organs. Mr. Quimby is presently serving as organist at the First Methodist Church at Warrensburg, where he also directs one of the children's choirs.
