

The Gift

The new Quimby Pipe Organ is made possible through the great generosity of the Schwehr-Hann families. The late Marie Schwehr Hann, in cooperation with her brother, the late William Schwehr, wanted to enhance the worship of God at Saint Mark Presbyterian Church with a pipe organ. That this should be a reality was uppermost on their minds. We are very grateful to them and to Carolyn Schwehr, who has been a very supportive enabler for this wonderful gift to the congregation they loved.
