* Indicates ranks of pipes retained from the Avis H. Blewett Organ built in 1948 by the M. P. Möller Company.

** Indicates a portion of a rank retained from the Möller organ or the Petty-Madden rebuild.

+ Pipes replaced by Quimby Pipe Organs, Inc. as part of an extensive restoration project in 2004. The chimes stop is from the chapel's first organ installed in 1913 by the Kilgen Organ Company of St. Louis.
